Pensioners are required to send a letter every school year, to payroll stating that you are in receipt of Pension from the Teacher's Pension Plan and that you understand the re-employment guidelines. We have attached a letter for your convenience to stop pension contributions. Please return this letter promptly.

For further information please review the Teacher's Pension Plan website. The address is www.otpp.com/web/website.nsf/web/teachingafterretirement

If you have applied for retirement benefits under CPP (Canada Pension Plan), please send us a copy of your Notice of Entitlement (if you have not previously done so) and we will stop CPP deductions. Depending on your circumstances, changes to Canada Pension Plan may require that CPP deductions resume in January 2012. Further information will be provided before year end.

For more information please see the Service Canada Website <http://www.servicecanada.gc.ca/eng/isp/cpp/posrttrben/recipients.shtml>
