

Dufferin-Peel Catholic District School Board
40 Matheson Blvd. West,
Mississauga, Ontario
L5R 1C5

To: Dufferin-Peel Catholic District School Board, Payroll

Please be advised that I am a retired teacher currently receiving Teacher's Pension Plan payments and would request that you do not deduct Teacher's Pension Plan contributions through payroll deduction until further notice.

I am entitled to work up to 95 days per school year in the first three years after returning to teaching and a maximum of 20 days per school year in subsequent years.

Should I choose to exceed this limit I will inform the Ontario Teacher's Pension Plan. My pension will be suspended the month following the month in which I reach my maximum. I have read the Teacher's Pension Plan Teaching after retirement guidelines and I understand that it is my responsibility to track the number of days worked (all work days, including paid non-teaching days, PD, sick days, count towards the limit) and agree to notify the Teacher's Pension Plan as soon as I am aware that my limit for any school year will be exceeded.
